"NO RECORD" RESPONSES

1. email
- 2.
- 3.

I further certify that I am aware that a search for responsive records need not be perfect, only adequate and that adequacy is measured or determined by "reasonableness" of the effort of search in light of the specific request. Specifically, I have searched for the documents in all places that it is practical for the documents to be located. After conducting an adequate search for records on behalf of the Office of Communications and Government Relations I have located no records responsive to this request or portions thereof.
